I just need a name to list as the liable person to override vetting.

1. Pressler - Banned from RNC for soliciting interns.

2. Ali - (Akbar) changed his name after being convicted of theft and credit card fraud in 2007 and 2008. His donations are going into his personal bank account.

"May God have his vengeance on the Hotel Harrington," Ali Alexander, a lead organizer of Wednesday's rally, said in a Twitter video Monday.

3. Alex Jones - obvious

Once we have that, I'll inform the rest of the speakers so they can decide if want to politically align themselves.

Times are being adjusted for smaller program. I would say sometime around 10am. I'll let you know when it's scheduled.

Ali is on stage both days, just not POTUS stage. I did not go into Ali's background the and possible new Federal charges that he's facing so thank you for going through that with him.

Ali thinks he's on POTUS stage, and they would be disastrous because he would have the media headlines for the event.

And yes, so much easier this way. Heavy weight lifted. It was easier than I thought because he really didn't want anyone speaking so moving everyone made my life easier. So, thank you.

1/5/2021 1:19 PM

Katrina's iPhone XS Max ([REDACTED])

Ok -

With the shorter program with his requested breaks and one hour between POTUS and the program, we have you leading the Senate block just before Senator Hawley at 8:45, then Marsha Blackburn, then Ted Cruz.

The good news is that I was able to keep the crazies off the stage. I stripped all branding of those nutty groups and removed videos of all of the psychos. So, thanks to your help we were able to shield POTUS from direct affiliation.

Hey Kat, thanks! I never spoke with Ali, as told ya a few days prior, when he claimed to be — or anybody he is affiliated with, ever. He is a fraud, and the DJT tweet on December 19 had absolutely nothing to do with Ali, or any of his people. It was Kremmer group he was aware of, as organizing a rally, to my knowledge at that time. He does do his own tweets. Thanks for your help on this one. I'm not aware of anyone talking to Ali—I know factually it wasn't me or DJT.

I'm hoping that this article will separate them from everyone else, so far so good. I gave them enough background to draw the distinction. I'll send you the link once it posts.
